**Mini Push Lock**

**Stylish high security window lock**

**Mini Push Lock**: For use with most awning, casement, double hung and sliding timber windows.

**Operation**: Push to lock, key to unlock.

**Application**: Provides secure deadlocking for timber windows.

**CYL4®**: Please see your local hardware retailer or locksmith prior to installation if you are having this product keyed to other locks in your home.

### Components

- Ferrule
- Ferrule Screws
- Timber Fixing Screws
- One Way Timber Fixing Screws
- Lock Body
- Keys

### Fixing Instructions

**Determine fixing location**

Select mounting position, refer to diagrams above.

**Check clearance**

With window tightly closed and button unlocked, select a position clear of other hardware, allowing a minimum 3mm clear gap between lock body and sill or frame.

**Mark drilling centres**

Check clearance of screws with glass line. Position lock as required and mark drilling centres for fixing holes.

**Drill holes and fit lock**

Drill two 3mm pilot holes in sash to suit fixing screws and fix lock in place using standard timber fixing screws.

**Drilling Holes Accurately** - We recommend centre punching holes prior to drilling.

2. Markdrillingcentre

3. Drillholesandfitlock

4. Markanddrillbolt hole

5. Fittingferrule

6. Checkoperationoflock

With window firmly closed, presslock button down until lock bolt markscentre position. Open window and drill a 12mm diameter hole where marked.

Drill two 2.5mm pilot holes to suit ferrule screws and fix ferrule into place.

If satisfactory, replace standard screws with one way screws for greater security. Note: One way screws cannot be removed once tightened.

Whitco Warranty
ASSA ABLOY Australia Pty Limited (“ASSA ABLOY”) warrants its Whitco products against defects in workmanship and materials for a period of 10 years from the date of purchase by the retail customer, subject to the limitations and exclusions set out in this Warranty. If, within this period the product is found to be defective, and none of the limitations and exclusions set out in this Warranty apply, ASSA ABLOY will supply the same or equivalent product free of charge.

This Warranty does not cover:
1. Damage to or malfunction or failure of the Whitco product
2. The cost of any modification or repair which has not been authorized by ASSA ABLOY;
3. Patricia damage to or reinstallation of the Whitco product;
4. Tarnish, damage to or deterioration of soft finishes such as Bronze, Brass and other Antique finishes, which are subject to deterioration due to environmental conditions, frequency of use and other factors.
5. Damage to Gold, Chrome and powder coated finishes caused by damage to the protective layer.
7. Personal injury, property damage or economic loss, however caused.

Limitations:

Exclusions: This Warranty does not cover: 1. Damage to or malfunction or failure of the Whitco product caused or contributed to by: (a) misuse, abuse, accidental or intentional damage; (b) improper installation or failure to follow fitting instructions; (c) improper maintenance; (d) use contrary to instructions provided by ASSA ABLOY; (e) fair wear and tear; (f) any modification or repair which has not been authorized by ASSA ABLOY; (g) use of substitute or replacement parts or cylinders other than genuine ASSA ABLOY parts or cylinders. 2. The cost of (a) removal, replacement or reinstallation of the Whitco product; (b) freight costs and travelling time; (c) any modification or repairs to a Whitco product, unless authorised by ASSA ABLOY. 3. Damage caused by corrosion when the Whitco product is used in a corrosive environment. 4. Tamish, damage to or deterioration of soft finishes such as Bronze, Brass and other Antique finishes, which are subject to deterioration due to environmental conditions, frequency of use and other factors. 5. Damage to Gold, Chrome and powder coated finishes caused by damage to the protective layer. 6. Deterioration in colour and performance of polymer materials. 7. Personal injury, property damage or economic loss, however caused.
